

DIESEL & GAS ENGINE TECH

We are a dynamic, fun, family-owned diesel and gas engine distributor located in Salem since 1979.

Do you love assembling/repairing engines? Do you enjoy hands-on work? Do you have a passion for excellence?

We need an Engine Tech for Kohler diesel and gas engines.

This role spends 50% of the time assembling cooling and exhaust packages and configuring control systems for new long-block diesel and gas engines sold to small OEM equipment manufacturers. The other 50% of the time, this role works directly with customers over the phone, taking orders and providing customer support.

Desired Characteristics

- Attention to detail, needs to “do it right”
- Curious, a learner, likes technology
- “Can do” attitude, loves to find the answer

Key Qualifications

- 2+ years experience repairing or assembling diesel and gas engines
- 1+ years experience with CANBUS engine management systems
- 1+ years in a customer-facing role

Compensation & Schedule

Hours are between 8-5, Monday through Friday, paid at \$20-\$23 an hour - we offer competitive pay that rewards skill sets. This position includes a full benefits package, including Medical, Dental, paid time off, a 401(k) match, incentive compensation, tuition reimbursement, and a Dream Manager program (ask us about it!).
